ADMIN POLICY LETTER #2

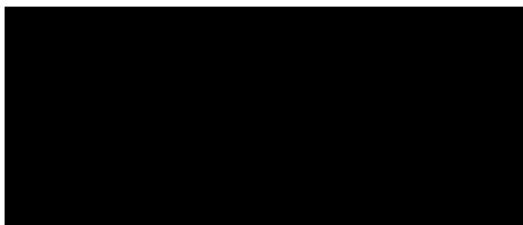

SUBJECT: Historical Cover Background, Pre-Deployment Press Releases,
and Emergency Procedures in the Event of Aircraft Loss

1. Attached hereto are Subject documents referred to in paragraph 4a of Operations Order I-57 dated 8 March 1957.
2. These documents have been issued separately in view of the compromising effect they would have on the balance of the Operations Order, if included in same.
3. Each component, to whom these documents are issued, should continue to maintain them separate from the Operations Order referred to above. They should, however, be within ready access in the event of any emergency requiring their immediate use.
